

HISPANIC ASSOCIATION OF COLLEGES AND UNIVERSITIES

YES! I want to be a Corporate Sponsor and make a gift in support of the Hispanic Association of Colleges and Universities (HACU)!

Your commitment as our partner is providing HACU with the means to improve the quality of post secondary educational opportunities for our member colleges and universities who enroll over 1 million Hispanic students. Your support is helping HACU enhance Hispanic educational success, establish and strengthen partnerships, develop networks among faculty, administrators, and federal and corporate representatives, and highlight the best and most promising collaborative practices in Hispanic higher education. Ultimately, HACU continues to address critical issues affecting educational access, diversity and success for what has become America's largest minority population.
