

## Universidad del Turabo and Regis University OnLine Dual Language Programs

**In our continuing contributions to the Hispanic Community, we invite you to take advantage of this great opportunity to advance your career.**

The Online Dual Language Programs (English/Spanish) offers the Discipline-Based Dual Language Immersion Model® to students across all countries seeking to earn a Master's degree from the comfort of their home. This accelerated program for working adults brings the classroom to the students' fingertips, no matter their location. Coupling the exceptional dual language education program from Universidad del Turabo with

Regis University's leading online education programs, the Online Dual Language Programs allows students to strengthen both their Spanish and English skills while earning a degree from an accredited university.

### Benefits of the Dual Language Online Program

- ▶ You can attend class anytime, anywhere.
- ▶ You can access course materials 24 hours 7 days a week.
- ▶ You will network with classmates from a wide range of backgrounds and locations.
- ▶ You have easy access to instructors through chat, discussion thread, or email.
- ▶ You'll benefit from a flexible schedule, which is extremely helpful when balancing your education with work and family life.

***Classes begin March 5th 2012***
