For 20 years, the HACU National Internship Program has been our premier student program, recognized for being the largest internship program with Hispanic participation.

## Travel and Housing

- Round-trip airfare is arranged and paid by HACU for federal interns. Prior approval may be requested by interns who wish to arrange their own transportation and receive reimbursement for expenses.
- Housing arrangements are managed by HACU. Federal interns pay for housing through payroll deductions. Federal interns can choose to arrange their own housing.
