HISPANIC ASSOCIATION OF COLLEGES AND UNIVERSITIES

For more than 37 years, the Hispanic Association of Colleges and Universities (HACU) has advocated on behalf of Hispanic higher education in the U.S. and around the world.

The mission of the association is to Champion Hispanic Success in Higher Education. HACU fulfills its mission by: promoting the development of member colleges and universities; improving access to and the quality of postsecondary educational opportunities for Hispanic students; and meeting the needs of business, industry and government through the development and sharing of resources, information and expertise.

HACU is the only organization that represents existing and emerging Hispanic-Serving Institutions (HSIs), which today

represent 17% of all nonprofit institutions of higher education but enroll 66% of Hispanic undergraduates.

HACU serves its membership through advocacy, conferences, partnerships and educational programs, and offers scholarships and internship opportunities for students.

HACU, is a nonprofit 501(c)(3) association representing more than 500 colleges and universities in the U.S., Latin America and Spain, and school districts in the U.S. HACU's headquarters are located in San Antonio, Texas with regional offices in Sacramento, California and Washington, D.C.
