The USDA Foreign Agriculture Service (FAS), in partnership with the Hispanic Association of Colleges and Universities (HACU) is accepting applications for the 2023/2024 FAS Agricultural Export Market Challenge. Application deadline is December 1, 2023.

We are looking for administrators / faculty from minority-serving institutions to serve as team sponsors/mentors for the Challenge.

Why participate in the Challenge:

- It's fun! Teams participate in an immersive learning experience to gain knowledge in policy, economics, diplomacy, and more.
- We provide all the materials. Administrators/faculty are needed to form teams, apply for the Challenge, and guide students through the process.
- Students and administrators/faculty receive access to and connect with USDA experts and mentors.
- Teams compete against other teams nationwide by showcasing their abilities to solve real world trade problems.
- The winning team of the Challenge receives an all expenses paid trip to Washington D.C. to meet senior USDA FAS Leadership.
