HACU STUDENT TRACK

Each year the Hispanic Association of Colleges and Universities’ (HACU) premier conference on Hispanic higher education brings together undergraduate students of all levels from across the nation to the HACU Student Track, offered in conjunction with the annual conference.

While administrators, faculty, and staff attend HACU’s Annual Conference, students participate in three days of career and leadership development workshops as well as panel discussions. Students learn about the opportunities and skills they need to be successful in launching and developing their careers, from securing internship and graduate school opportunities to acing interviews with prospective employers.

Student Track highlights include:

• Speakers from leading corporations, government and nonprofit organizations
• HACU’s Exhibit Hall and the College and Career Fair feature national employers and representatives from U.S. and international higher education institutions
• Networking opportunities with career professionals and representatives from graduate school programs

Registration Options:

There are two ways for colleges and universities to register their students: through the regular Student Track registration process or through a special “Sponsored Student Scholars” package.

1 REGULAR STUDENT TRACK REGISTRATION

The cost below is the cost of student registration only. All travel arrangements are handled directly by the institution.

Institutions must pre-register students online at www.hacu.net, or download a PDF to submit by fax. Registration may close prior to the deadline if the event sells out.
