TWO COMPONENTS OF ELIGIBILITY

Request for Designation of Eligibility

- Your institution must be certified as an eligible institution before your proposal will be reviewed and before you can receive federal grant funds
- You must apply every year you seek new funds

2) HSI Assurance

- Due with Title V application
- Mandatory for Title V Program eligibility
- An enrollment of undergraduate full-time equivalent (FTE) students that is at least 25% Hispanic

The Department does not pre-certify institutions as HSIs

WHO IS ELIGIBLE?

- An IHE that is accredited or pre-accredited by a nationally recognized accrediting agency or association; meet the enrollment of needy students and educational and general expenditures.
- A branch campus that is geographically apart from the main campus and independent of that main campus:
 - Permanent in nature;
 - Offers courses for credit and programs leading to an associate or bachelor's degree;
 - Has its own faculty and administrative or supervisory organization; and
 - Has its own budgetary and hiring authority

FY 2011 “Basic” Eligibility

- Notice inviting applications for eligibility (FY 2011 Eligibility Notice) was published in the Federal Register on December 8, 2010, with a deadline date of January 31, 2011.
- *Basic eligibility application for FY 2012 is estimated to be published in December of 2011.*

What Eligible IHE Can Apply?

Individual development grant.

- An eligible IHE that does not currently have a Title III or Title V grant.
- An eligible IHE whose current Title III/V grant ends by 9/30/2012.

Cooperative development grant.

- Any eligible HSI(s) in cooperation with one or more IHE.
- An IHE may be the lead in a cooperative development grant and also be a partner in a cooperative grant.

Activities

- **Projects can have more than one activity**
 - activities do not have to relate to each other
 - each activity may have an activity director
