HARLANDALE'S VISION

- Early College High Schools exist throughout Texas and their purpose is to provide students an opportunity to earn either college credit and hopefully an Associate's Degree from a college or university.
- This is the first STEM Early College High School in San Antonio, Texas.

- Escuelas Secundarias Pre-Universitarias existen en todo Texas y su objetivo es de proporcionarle a los estudiantes la oportunidad de obtener ya sea crédito universitario o de obtener un título universitario llamado "Associate's Degree" de un colegio o de una universidad.
- Esta será la primera escuela STEM Early College High School en la ciudad de San Antonio, Texas.

STUDENTS' REASONS FOR ATTENDING COLLEGE

I want to go to college because:

I want to be
Somebody

GREAT!!!

I want to go to college because:

If I WORK HARD
my DAD wont have
to. He can Finally have
8 hours of sleep.
