

HACU 11th Annual Deans' Forum on Hispanic Higher Education

October 11, 2022 | Manchester Grand Hyatt San Diego | San Diego, California

San Diego, California

The Hispanic Association of Colleges and Universities (HACU) will host a Forum for deans and senior administrators, featuring a keynote speaker and panelists highlighting the dean's role in the academic success of Hispanic students in higher education. A special topic will be announced in early 2022.

The Forum offers deans from colleges and universities across the country an opportunity to dialogue on the state of Hispanic higher education at their campuses, with table discussions and networking opportunities an integral part of the Forum. The Forum includes interactive sessions where attendees share experiences, challenges, promising practices and ideas.

What past attendees found most helpful:

- Learning about the best practices implemented at other institutions
- Learning from deans across all levels of higher education, from community college and undergraduate to graduate school
- Networking with fellow deans, as well as sharing strategies and resources
