INTERNET PROGRAM IN SPANISH COMPANIES
12TH EDITION 2018-2019

THE FOUNDATION

The Fundación Consejo España-Estados Unidos, in Madrid, Spain, is a private foundation which brings together notable representatives from financial, business and professional sectors, public administration and politics, as well as cultural and academic institutions.

The aim of the Fundacion Consejo España-Estados Unidos is to promote plural dialogue - in economic, financial, cultural, educational, political and professional terms - between the Spanish and US civil societies. To learn more on the Fundacion, please visit: www.spainusa.org

OBJECTIVE

This Program offers U.S. citizens, recently graduated from the United States' best universities, the possibility of having a professional experience in a Spanish company member of the Foundation’s board, while learning about Spanish businesses, society, culture and language.

HIGHLIGHTS

The prestigious companies participating in the Program are leaders in their respective markets and have interests in the United States. Thus, the possibility exists for these companies to offer full positions in Spain or back in the States, once the internship is over.

DURATION

The nine-month Program will start on September 2018 with an orientation course. The internship will take place between October 1st, 2018 and June 30th, 2019.

BENEFITS

The selected candidates will receive a competitive salary of 18000 Euros for Bachelors and 21000 Euros for Masters, in monthly statements. Travel expenses from/to the US, health insurance and accommodation on arrival are also covered.
QUALIFICATIONS

Candidates must be **U.S. citizens**, should have graduated between January 2015 and August 2018. Knowledge of Spanish is desirable and required for some positions.

VISA REQUIREMENTS

A nine month student visa is required.

RECRUITMENT PROCESS

- Resumes should be sent to the Fundacion Consejo España- Estados Unidos who after checking that all requirements are met, will forward them to the participating companies that best match the candidate’s profile.
- The Fundacion will notify the applicant when the resume is being considered by a company and will establish possible interview times.
- The recruitment will be carried out directly by the companies themselves. Both the Companies and the Fundacion will coordinate efforts to keep the candidate informed throughout the process.
- Once the company has made the final selection, the selected candidate will be notified by the Fundacion.
- Please note that this process can take several months. We aim to have the final candidate name by May 31st.
