THE UNIVERSITY OF ALCALÁ AT A GLANCE

- One of Europe’s oldest universities, founded in 1293.
- UNESCO World Heritage site (one of only five universities worldwide to share this distinction).
- Wide range of undergraduate and postgraduate degrees in all branches of knowledge: Arts and Humanities, Sciences, Health Sciences, Social Sciences and Law, Engineering and Architecture.

AN INTERNATIONALLY RENOWNED UNIVERSITY

- One of the best universities in the world according to the prestigious QS World University Ranking.
- Maximum score of five stars for teaching, internationalisation, equipment and infrastructures, innovation and social outreach, according to the QS Stars international quality accreditation system.
- Top Spanish university (12th worldwide) for environmental sustainability policies, according to the UI Greenmetric World University Ranking (2013).
- Among the world’s best 200 universities according to the Academic Ranking of World Universities in Computer Science in 2013.
- Every year over 5,000 international students choose Alcalá to complete their studies.

A FRIENDLY, QUALITY UNIVERSITY

- Personalised teaching: 8 students per teacher.
- 94% of our students are satisfied with the university teaching quality, according to the student satisfaction survey conducted by QS.
- Top Spanish university for all-round quality (teaching, research and social commitment) according to the global ranking of Spanish public universities.
- Work experience in all undergraduate degrees. We have agreements with more than 3,000 companies enabling our students to complete their training, many of them sector leaders, such as Telefónica, Aena, NASA, Adif, Acciona, 3M or Banco Santander.

THE UNIVERSITY EXPERIENCE

The university experience is much more than just studying and the University of Alcalá can offer you a wide range of sporting, cultural and volunteer activities:
