October 2024

Dear _____,

Congratulations on your commitment to attend [HACU's 38th Annual Conference in Aurora, Colorado from November 1-3, 2024](#). We wish you well on your travels on October 31st and November 4th to attend the full conference.

Please share the following with your professors or employers:

On behalf of the Hispanic Association of Colleges and Universities (HACU), I am pleased to inform you that your student will be attending HACU's ¡Adelante! Leadership Institute Student Track. The ¡Adelante! Leadership Institute is a three-day career development symposium that is part of HACU's Annual Conference in Aurora, Colorado from November 1-3, 2024. This year, we will be welcoming over 700 students from across the nation, representing over 40 colleges and universities. Attendance will enable students to enhance their career development skills via workshops, networking with corporate, federal, and non-profit sector recruiters, and meeting with exhibitors from all three sectors.

While we know that students selected are still responsible for completing all their academic work, we hope you will extend to them some flexibility in doing so. Best wishes for a successful semester and thanks for your support.

Sincerely,

Belia Gonzalez McDonald
