RE: Letter of Support for SB 160

Senator First Last  
California State Capitol  
Sacramento, CA 95814

Dear Senator Last Name:

On behalf of [insert name of organization], I am writing in strong support of Senator Cedillo's SB 160, which would allow undocumented students access to student aid programs as permitted by federal law, including access to Board of Governor waivers at the community colleges.

Assembly Bill 540 allowed undocumented students the right to pay in-state tuition; however, without access to financial aid the dream of a college education is still out of reach for many of these students. California's economic success depends on the education of its population; we would hope that the state would allow these deserving students access to the financial resources needed to complete their dreams and become economic contributors to the Golden State.

I respectfully request that you support SB 160 when it comes before you on the Floor of the Senate.

Sincerely,
